News from the President's Desk

Annual DWU Survey: In an effort to continuously improve, we have made some changes to the annual DWU survey. The enhancements will help us in data collection and driving results more efficiently. The survey will be sent to your Cummins email if you don't have Cummins email, you can manually type the link (<https://www.cummins.com/survey/DWUEE>) into any computer, phone or tablet and a QR code (located at the bottom of the Newsletter) will be available to scan with your phone. No paper forms will be available. The survey will be available starting at 10pm September 24th and ending at 10pm October 6th.

Facility Walk-Throughs: We have received positive feedback about the Board Member walk-throughs. We will continue to do these at every facility on each shift. Please let us know if you're not seeing the Board Members in your area and we'll be sure to stop by.

Training: Shop Stewards are attending a 3 day offsite leadership training, October 4th -6th. This training will help them in their problem solving, conflict resolution and overall leadership skills. The Board attended a 3 day Leadership Bootcamp training in August. The training has given us the ability to be better communicators, trainers and educators.

Sports and Recreation: Golf Scramble at Otter Creek Golf Course in Columbus on Sunday October 1st. Sign-ups are going on through Sept. 29th. (Get with your Shop Steward or call the Hall). We currently have 5 teams. We need at least 9 teams to keep the event as planned, so if you or anyone else is interested please get your team signed up before September 29th.

DWU News: Congratulations to our new members! We have had 194 new members join us since January 2, 2017. Current membership total 1622

Annual officer election: Ballots will be mailed September 29th. Ballots will be counted on October 19th. The elected members will assume their duties December 4th.

Thanks to each and every one of you for a wonderful 80th anniversary celebration. Having the opportunity to walk through the plants and see all of those DWU shirts was fantastic! I am extremely proud of our accomplishments over the past 80 years. The forward thinking, hard work and dedication by all members is paving a path to bright future.

Below is the QR code for your survey.

Sincerely,

A handwritten signature in black ink that reads 'Daniel Steward'.

Daniel Steward

Diesel Workers Union President
